Work at Standley Lake HS -Jobs That Make a Difference

We invite individuals looking for work and a passion for contributing to the lives of our young learners to join our team. While prior experience is appreciated, it is not mandatory. [Details Here](#)

Even if you are not in a position to take on a role at this time, your assistance in spreading the word within our community can make a significant difference. Your recommendations are invaluable and we encourage you to share this opportunity with friends, family, and colleagues who you believe may be interested and capable.

Guest teacher pay rates start at \$160/day and increase up to \$190/day, depending on how many days you work or if you are in a long-term assignment. Learn more at https://www.jeffcopublicschools.org/employment/jobs/substitute_positions.

Paraprofessional pay starts at \$18.40 per hour and increases with similar work experience. We have part time and full time opportunities across our district in all of our articulation areas.

From the SRO: Standley Lake has experienced a string of bicycle thefts from school grounds. These incidents are not happening during the normal school day, but late at night and in the early morning hours. As of late, these bikes have been left on school grounds for extensive periods of time, usually over the weekend. . PLEASE inform your student(s), if they ride a bike to school, 1) ensure it is locked to an appropriate bike rack, and 2) DO NOT LEAVE IT OVERNIGHT. The Theft of bikes left overnight on school grounds will now be the responsibility of the bike owners from this point forward and will not be investigated by the SRO. If you have any questions, please contact our SRO, Ofcr Steele at 303 982 6343 or thomas.steele@jeffco.k12.co.us

Student ID's

By this point, all students should have their student ID. This ID is key for dances, athletic events, lunches, and to enter school on a daily basis. Students should either be wearing their ID on the lanyard provided or have the ID readily available on their keys or backpacks. The ID should remain visible throughout the day. ***If students have lost or misplaced their ID we can print them a new one, but there will be a \$5 dollar replacement fee that will be added to student fees each time we print them a new one. If students accumulate 3 days without an ID, they will serve an ISS during their off hours.***

SCHEDULER NEWS

Trip Sargent

The next 6 week grades will be on November 8th. Please check grades periodically and reach out to teachers with any concerns.

We have a new resource for students planning to attend college or university called NextGrad which is located in the upper commons. Public Colleges and Universities in the rocky mountain region present information through this device. We hope it is one additional way students can broaden their thoughts about opportunities after Standley Lake High School.

10th Grade Personal Project

The first Personal Project meeting took place week in Advisement. Your student should have completed through prompt 8 in their journal and met with their assigned supervisor. We encourage you to discuss this with your student and take a look at their progress along the way.
